The attached form must be completed in order for children to participate in the summer program. The program is open to students attending NY Mills Union Free School and/or living in the village of NY Mills or the village of Yorkville.

****IMPORTANT****

Parents must completely read the following program rules and review them with your child/children. Not obeying the rules could result in loss of program privileges for the remainder of the summer at the discretion of the Program Director, Program Attendants, and Park Commissioners.

Program Rules

1. Please arrive to pick up children approximately **15 minutes prior** to the close of the program at 3:00 p.m. The staff leaves promptly at 3:00 p.m. **There will not be supervision for your child after 3:00 p.m.**
2. All children attending the program are expected to behave in a respectful manner. **Any inappropriate conduct can result in the temporary or permanent suspension** of all privileges, including removal of the child from the program. All decisions regarding behavior are made at the discretion of the Park Commissioners, program director, and/or program attendants.
3. The program is open to children entering kindergarten through 6th grade.
4. **Program staff cannot prevent a child from leaving the program/school grounds, nor are they responsible for a child once they leave the grounds. Failure to remain on school grounds during the program can result in suspension from the program. Parents will be notified if a child leaves the school grounds.**
5. If you need to speak with either the Parks Commissioner or Program Director, please leave a message with the Village Office. We will return your call as soon as possible.

6. All sign-ups for trips must be done before **3:00 p.m. the day before the trip**, unless otherwise noted. Children will only be allowed to sign up for a trip during the week prior to the trip. **Sign-ups will not be accepted prior to the week before the trip. Any requests to sign up for all trips at one time will not be accepted.** Children who arrive at the program for a scheduled trip without reserving a spot ahead of time will only be allowed to attend the trip if anyone previously registered does not show up for the trip.
7. Children will not be able to attend any field trips without a completed registration form and medical release form. All completed forms will be on file with the Village Offices. A parent must sign their own child up for trips and activities, or a child can sign themselves up for a trip or activity. Please do not call the Village Office to sign your child up for a trip or activity. When a trip is full, a waiting list will be available in the event a registered child does not attend.
8. Parents need to provide lunch, snacks, admission (when required) and purchases. The program does not provide lunch, snacks, or drinks unless otherwise noted. **Any child caught taking food without permission from another child will be sent home.** Children must also be provided appropriate clothing/towels, etc. depending on the trip or activity.
9. Parents are not allowed to ride on the bus for field trips. Parents may follow the bus to the destination. All children who ride the bus are required to wear the seat belts provided. No exceptions will be made.
10. In the event of rain, the program director will oversee other activities within the confines of the school grounds. **In the event of severe weather, the program director shall close the program at her discretion.** All parents/guardians will be notified to pick up their child(ren).

Thank you in advance for helping the villages provide your children with a safe and exciting summer program. Please return this form to the Yorkville Village Clerk.
